CAMIE 20/20 PRODUCT DATA SHEET

Camie 20/20 Glass Cleaner is formulated to meet the high standards required for industrial and consumer use of a light-duty, all purpose cleaner. This product is recommended for glass, mirrors, most acrylics, and polycarbonate surfaces. Camie 20/20 does not contain ammonia. Its foaming action cleans quickly and efficiently for almost all applications and when used according to label directions, will not streak.

Applications	Recommended for glass, mirrors, most acrylics, and polycarbonate surfaces. Use for a light-duty, general purpose industrial hard surface cleaning too.
Container Size	20 Fluid Ounce Can
